ABBASOFT solutions for Distributors in the Promotional Products Industry are combinations of our own Extension Products and SAP Business One. ABBASOFT solutions are integrated, affordable business management solutions that can help streamline your project workflow, improve your productivity, and create a near-paperless environment.

Sourcing Screen

The Sourcing Screen easily allows you to organize, monitor, and track Supplier information.

Get Organized.

Quantity/Price breaks can be easily created and adjusted.

Comments Box provides unlimited space to store additional information and notes for each option

Decoration Location sorting option makes for easier printing.

Supplier artwork is displayed and easily accessible through the image link.

Calculate sell price based on gross margin percent

The screenshot shows the Sourcing screen interface. At the top, there are fields for Doc # (86), Doc. Type (17), Cust. Name (ACME Inc.), Item # (A0801), and Item Desc (Sport Shirt). Below this is a 'Comments' box containing the text 'Gldan Ultra Blend 5-3/5 Oz. Jersey Knit Sport Shirt (S-XL Heathers)'. A table of 'Other Charge Opt.'s is visible, with columns for Charge Description, Charge Amount, and Comments. Below the charges is a section for 'Option # / Print' with columns for quantity breaks (QTY 1 to QTY 6) and a 'Select' column. The main table lists suppliers with columns for #, Supp #, Supplier Name, P/N/D#, Supl P/N/Decoration, P/N/Desc or Decoration Loc, Image Link, Price 1 through Price 6, Lead, Select, PO #, and Status. The table includes suppliers like Seminar, Stonebrook, Golden Express, Unicorn, and Printing Express. At the bottom, there are buttons for 'Add', 'Cancel', 'Gross Margin %' (set to 55.808), 'Recalculate', 'Process PO's', 'View Image', and 'SAGE Data'.

SAGE Database integration

Auto-generate Purchase Orders

Sourcing Screen: Size Detail

The screenshot shows the 'Size Detail' section of the Sourcing screen. It features a table with columns for Size Matrix, Base Item No. (K428), and size categories: S, M, L, XL, XXL, XXXL. The rows represent colors: Green, Red, Blue, Purple, and Aqua. The table shows availability for each color and size combination. Below the table are columns for 'Quantity' (QTY 1 to QTY 6) and a 'Select' column. The interface also includes buttons for 'Option # / Print' and 'PO Type'.

Easy color entry

Size entry based on availability
